**About APOSHO**
The Asia-Pacific Occupational Safety and Health Organization (APOSHO) is an international body composed of non-profit professional organizations devoted to the prevention of occupational accidents and diseases in the Asia-Pacific region. As of September, 2019, there are 28 full members from Australia, PR China, Hong Kong SAR – PR China, Chinese Taipei, India, Indonesia, Japan, Republic of Korea, Malaysia, Mauritius, Philippines, Singapore, Sri Lanka, Thailand and Vietnam along with affiliate members from Germany, United Kingdom and United States etc. The Malaysian Occupational Safety and Health Practitioners Association (MOSHPA) and The National Institute of Occupational Safety and Health (NIOSH) are full members from Malaysia.

**Concept of APOSHO 35**
At APOSHO 35, OSH organizations and companies in the Asia-Pacific region will come together to provide information, learn experience from each other, share ideas, and have an international interaction in order to build mutual understanding and networks, with the goal of enhancing OSH in the region and in companies in the participating countries. It will also ensure the healthy life of people of all ages and promote welfare as proclaimed by the Sustainable Development Goals (SDGs) adopted by the UN Sustainable Development Summit.
2020 is a very lucky year for Malaysia. The vision of a developed nation by 2020 is a reflection of the government's efforts to bring Malaysia into a developed nation.

We are very proud that Malaysia has been selected to host the conference, exhibition and annual general meeting for the Asia Pacific for Occupational Safety and Health Organization or APOSHO.

The 35th APOSHO will be jointly organized by Malaysian Occupational Safety and Health Practitioners’ Association (MOSHPA) and National Institute of Occupational Safety and Health (NIOSH).

As the Chairman of APOSHO35, I would like to invite all practitioners, representatives of employers and employees, departments and government agencies and the public interested in working with us to make APOSHO35 a success.

Welcome to APOSHO35!

WELCOME TO MALAYSIA!

Yours Sincerely,
Dato Kanagaraja Raman
Chairman - APOSHO 35
President Malaysian Occupational Safety and Health Professional Association (MOSHPA)
Demonstrating a great example of cooperation and friendship, the Malaysian Occupational Safety & Health Practitioners Association (MOSHPA) and the National Institute of Occupational Safety & Health (NIOSH) have joined together to host APOSHO 35 in Malaysia in 2020.

I am aware that the planning for APOSHO 35 has been undertaken for some time and therefore I am extremely confident that the conference will be an outstanding success.

This conference once again allows for all APOSHO members to join together to enhance our knowledge and will undoubtedly ensure that this newfound knowledge will be used in ensuring we raise the overall level of safety within our region.

APOSHO 35 is clearly an opportunity under the guidance of MOSHPA & NIOSH to engage with presenters from within and outside of our region, to understand more and encourage a willingness to share with each other.

May I pass on my sincere congratulation to both MOSHPA & NIOSH for what is going to be an outstanding safety event and I would encourage all APOSHO members to gather once again in Malaysia next year.

Yours Faithfully

**Bernie Doyle**
